Week 3 sees the beginning of my eight weeks in the role of Relieving Principal at Glen Innes Public School. I am certainly very pleased to be here and look forward to engaging in a productive and positive Term 3 in readiness for the arrival of Mr Buckley in Term 4.

As you are aware, this week is also Education Week. I encourage all families to visit the school this week and share in the celebration of the wonderful achievements of our whole school community.

I also take this opportunity to wish all of our athletes competing at the NNE Athletics Carnival on Friday the very best of luck. I know that they will represent Glen Innes Public School proudly.

I look forward to meeting you all in due course.

Miss Kim Dudgeon
Relieving Principal

Sports News
Girls’ Touch Football - Gunnedah
A warm winter day at Gunnedah’s Longmuir Playing fields on Thursday 25th June saw the Glen Innes Public School Girls League Tag side compete in the finals of the NRL Legends of League competition. The girls won the right to battle out the finals at Gunnedah and represent this region along with St. Joseph’s Tenterfield following their win at a gala day held here in Glen Innes earlier in June. Teams from both public and independent schools compete in this competition. At Gunnedah they were put to the test playing against representative teams from other regions throughout the North West.

A gallant effort was put in by the girls in a fast paced competition. They finished the day with wins against Bundarra and Gunnedah and a draw against Oxley Vale - Tamworth. They were narrowly defeated by St. Joseph’s Tenterfield and a well-drilled Warialda side who took out the competition.

Glen Innes Public School were presented with a shield at the end of the day for being the champions of the league tag day held earlier in June in Glen Innes.

The girls have all put a great deal of effort into improving their game play and I could not be prouder. Thank you again to the family members who came to cheer the girls on. We are looking forward to competing in the next round of the knockout trials in the coming weeks.

Road Safety Tips
Driving Near School Buses
There is a 40km/h speed limit for traffic passing a school bus that is setting down or picking up school children.

This speed limit is for all traffic travelling in the same direction as the bus, whether the bus is stationary or moving.

The 40km/h speed limit must be obeyed when the rear lights on the bus flash. Flashing headlights on these buses also alert oncoming motorists that children are close by.

As a driver, remember: when the lights on the bus are flashing, you must slow down to 40km/h.

Fried Rice

The 2JW dishwashing machines

They should call this Grow it, Cook it, Eat it and Wash it up.... it is important to clean up after cooking

Pizza Scrolls

And it is a 10 out of 10 from the judges!!!
Mrs Young taught 2JW how to cook. The first week we made Pizza scrolls. The second week we made fried rice. The third week we made icecream sundaes. We learnt how to follow a recipe and we got to taste new foods.  

**Liona**

I learnt how to cook. We had to wash our hands to stop germs. My favourite food was the Pizza Scrolls. We tried lots of new foods.  

**Bradley**

**Chelsea**

My favourite food was fried rice. I liked making all of the recipes. Before we got to cook we had to wash our hands. We had to wear an apron. I had a good time.

I hope that is not my spoon.
