SASS Recognition Week
There are many very important roles undertaken in a school to ensure all students are provided with the greatest possible opportunity to reach their full potential. School Administration Support Staff (SASS) work with teachers to make this possible.

This week is SASS Recognition Week and as a school community we would like to thank our School Administration Support Staff for their dedication, professionalism, hard work and smiling faces. A school cannot function without them.

SAS Staff in our school include our School Administrative Manager, our School Administrative Officers, our Aboriginal Education Officer, our School Learning Support Officers and our General Assistant.

Here is a snapshot of the types of things that they do. You might be surprised!

School Administrative Managers (SAMs) are part of the school administrative and support team in all our schools. They assist the Principal in planning and maintaining school routines and are responsible for the efficient management of the school financial and administration functions.

School Administrative Officers (SAOs) may be the first people to greet you when you arrive at a school. SAOs support the Principal and the supervisor (SAM) to maintain school routines. After appropriate training, SAOs can also volunteer to administer first aid or prescribed medications to students.

Aboriginal Education Officers (AEOs) work in schools where significant numbers of Aboriginal students are enrolled. They work closely with teachers to develop culturally appropriate resources and programs. They promote Aboriginal education, encourage students and support parents. AEOs provide role models for Aboriginal students and have a positive impact on helping them achieve their potential.

School Learning Support Officers (SLSOs), under the supervision and direction of a teacher, assist in classroom activities, school routines, and the care and management of students with special needs.

General Assistants (GAs) are employed in all our schools to maintain school playing fields, gardens and lawns, prepare and maintain equipment, prepare materials and construct teaching aids, and undertake minor maintenance.

This is but a summary of the many and varied tasks that our SAS Staff carry out in their day-to-day work activities and we would like to express our heartfelt gratitude to them for all that they do to support us. Thank you!

Regional Athletics
Congratulations to the following students who are off to State Athletics. Jack Grob (discus), Kaleb Hope (discus, shot put and long jump), Georgie Webster (discus and shot put), Daniel Tait (discus) and Lucas Tait (discus and shot put). Competing at this level is a remarkable achievement and I know the entire school community is very proud of all of these students. Well done and best wishes at the state carnival!

Dagwood Dog and Donut Day
We had many smiling faces and full tummies at school yesterday on our ‘Dagwood Dog and Donut Day’. Many thanks go to our P&C members who volunteer their time to make
these special and exciting days happen and who work tirelessly to support our school. While we are enjoying a treat we are also raising funds to contribute to the implementation of P&C initiatives. Thank you to all who participated.

**Student Absences**
Just a reminder please that if your child is absent from school it is a requirement of the Department of Education that their absence be explained in writing on the day of the student's return to school. If a written explanation is not received within seven days, the absence will automatically be deemed ‘unjustified’. We appreciate your cooperation in meeting this requirement.

**Kindergarten 2016**
If you know anyone who has a child eligible for Kindergarten next year who has yet to enrol, please let them know that enrolments are open and that our Orientation program has begun. It is never too late to join the program, but the sooner the better! If you have a child eligible for Kindergarten next year who is not enrolled, again, please do so as soon as possible.

**Dagwood Dog & Donut Day**
Thank you to all our families who supported yesterday's 'Dagwood Dog & Donut Day'. Thank you also to all of the wonderful volunteers who helped on the day.

**Walk-a-thon**
The Walk-a-thon will be held on Friday 18th September. Don't forget to return your sponsorship form with any money to the school office - they are due in by Wednesday 16th September 2015.

**Lunch Centre**
The new Lunch Centre menu and price list will be distributed to all families today with the school newsletter. An electronic copy can be found on the school's website.

**Uniform Pool**
Thank you to all our families who have donated items to the Uniform Pool.

We currently have a large stock of jumpers and winter pants that can be purchased in preparation for winter next year!

Please drop in to the school office if you are looking for girls and/or boys summer uniform items for Term 4.

Lunch Centre

Volunteers are always welcomed and needed to help in the Lunch Centre. If you would like to help once a month, know someone who would, or would like to bring a friend - phone Jane on 0457 316 493 for more information.

Lunches MUST be ordered **BEFORE** 9.10am, which is the start of the school day.

Late orders may miss out and a sandwich will be made for children in this case.

The P&C reminds families that we are unable to offer credit or open accounts for purchases made at the Lunch Centre. We apologise for any inconvenience this may cause.

Please complete your Lunch Centre order bag as per the following diagram.
